Care Where You Are

Live Well at Home can also provide care for your loved one wherever they call home. In fact, our caregivers routinely provide care in a variety of settings:

- › Independent Living Communities
- › Assisted Living Communities
- › Continuing Care Retirement Communities
- › Skilled Nursing Center
- › Nursing Homes
- › Rehabilitation Centers
- › Hospitals (sitter services in addition to other care)

We also provide **discharge services** if your loved one is leaving a hospital, skilled nursing facility or rehabilitation center.

Dementia Care

We are dedicated to Alzheimer's and Dementia care by helping your loved one remain home while enjoying the highest quality of life possible.

Live well at Home by Eskaton combines the expertise of our Care Navigators and CarePros, to bring your loved one person-centered and customized care. Call us for information.
